Fine Choice Catering CATERING AT ITS FINEST

Funeral Menu

At this difficult time, Fine Choice Catering is here to offer you support and ensure that all your funeral catering requirements are dealt with efficiently.

We understand that it is hard for you to gauge how many people will attend, so we like to offer flexibility to make certain the extra people who may attend are looked after too.

Here are some of the main menus we can offer. We are totally flexible with our menus to ensure we are meeting your requirements and have the ability to work at short notice. All our food is freshly prepared on the day. Vegetarian and Dietary options are available on request.

*Please contact Kenny at anytime on **0777 630 7855** to discuss your requirements.*
